# Co-ordination in CB

## Joint CB:

Co-ordination and co-operation of the IHO CB with other international organizations in the field of CB in hydrography. Currently involved:

- IMO
- IOC
- WMO
- IALA
- IHO
- IAEA
- FIG

## Joint Projects :

Examples of joint IMO/IHO Training Projects:

- 2-weeks Regional Training Course on Hydrographic Survey and Introduction to Chart production.
- 2-weeks Regional Training Course on Basic ENC and ENC Production.

Further improvement of joint CB projects is underway
