

MSI SELF ASSESSMENT NAVAREA VI

Submitted by ARGENTINA

1. ACTION REQUIRED:

None, submitted for information only.

2. COMMENTS:

MSI for NAVAREA VI is issued by the SERVICIO DE HIDROGRAFIA NAVAL (SHN) through INMARSAT, NAVTEX and Coastal Stations in HF, MF and VHF around 24 hours.

2.1 NAVAREA

Broadcast carried out as scheduled in Master Plan. SHN has also hired the services of other Communications Company in July of this year, as an auxiliary service, to ensure broadcast by SAFETYNET (INMARSAT).

2.2 NAVTEX

Broadcast carried out as scheduled in Master Plan.

2.3 NOTICES TO MARINERS

Notices to Mariners recommend to be careful with meteorological and oceanographic data buoys, as required by World Meteorological Organization (WMO) and the International Hydrographic Organization (IHO).

2.4 INTERNET

Navigational warnings are still broadcast in the Servicio de Hidrografía Naval web page for consultation (www.hidro.gov.ar).
