

Annex A to IHB CL 59/2010
S3/8151/DQWG

CATZOC CLASSIFICATION OF LEGACY DATA - REPORTING FORM

(to be returned to the IHB by **20 October 2010**)

E-mail: info@ihb.mc - Fax: +377 93 10 81 40)

Member State: USA (NOAA)

Contact: Sean Legeer (acting for
Julia Powell) E-mail: sean.legeer@noaa.gov

What type of legacy data is included under each CATZOC classification in your ENC's?

Please complete the form below for each CATZOC value. Examples from the United Kingdom Hydrographic Office have been provided as a guide.

If you do not populate CATZOC for legacy data in your ENC's, please indicate this in the Additional Comments section at the bottom of the form.

Additional Comments:

Currently the US is populating CATZOC for new data and is working on a strategy to populate legacy data. Once this strategy is complete the US should be able to populate the table that is in the questionnaire.
