April 2008

Explanatory Note
Item D 3.1
Chairman

RHCs to work to complete ENC coverage for HSC by 1 Jul 2008

This Item is being raised in following up the IHO Work program.

Task 1.1.17 of the detailed IHO Work Program reads as follows:

„RHCs to work for completing ENC coverage for High Speed Crafts (HSC) by 01JUL2008

RHCs Chairmen to encourage MSs in their RHCs to make available ENCs as necessary and to seek assistance from the CBC if needed. Audit the state of completion and report to WEND/IRCC.“

NSHC members are invited to report the status of ENC coverage on HSC routes in their waters.
