| <b>Fax:</b>                               | +377 93108140  |
| <b>e-mail:</b>                            | pres@iho.int   |

### GENERAL SPECIFICATIONS

(Please provide detailed information in Annex of no more than three pages)

|                                     |   |
|-------------------------------------|---|
| <b>Background information</b>       | <p>Seychelles is a beneficiary of capacity building from India who have surveyed certain key areas and produced paper charts as part of a government to government MOU. The CB also includes basic hydrographic training.</p> <p>The economy of the Seychelles is based on fishing and tourism contributing 28.8% and 16.6% respectively to the Seychelles GDP.</p> <p>New detailed studies and exploration shows that the Seychelles potentially has large off-shore petroleum reservoirs which are yet to be discovered.</p> <p>A high level technical visit was requested at the 16<sup>th</sup> NIOHC meeting in Bangladesh</p> |
| <b>Justification of the project</b> | To improve maritime safety and protection of the marine environment   |

|  |  |
|--|--|
| <b>Countries involved</b>                | Seychelles   |
| <b>Exposition of the problem</b>         |  |
| <b>General objective</b>                 | Raise the profile of hydrography at the highest levels in Seychelles         |
| <b>Specific objectives</b>               | To endorse hydrography in Seychelles   |
| <b>Outputs/Products</b>                  | To promote greater understanding at the highest levels and continued funding |
| <b>Other deliverables</b>                | Nil  |
| <b>Achievements and awaited benefits</b> |  |
