Subject: Re: NIOHC and RSAHC Joint Training Courses under CB Program

Dear Lucy,

Thank you for your kind cooperation for having joint CB programs by NIOHG and RSAHC. Since we are planning to have joint Training Courses, I think we should consider at most 6 participants from RSAHC to participate at each joint training course. (in order for each Member States in RSAHC to take advantage of your offers)

By going through Mr. Jeff Bryant proposal as the Ex CB Coordinator of RSAHC for the years 2018, 2019 and 2020 and adding the updated needs from the Member States of RSAHC during the RSAHC8, you are kindly requested to see RSAHC CB Program suggestion as follows:

- 1- Technical Implementation Visit (5 Days), Phase 0.3; at least 1 State (I.R. of Iran)
- 2- MSI Course (3 Days), Phase 1.1; at least 4 States
- 3- Phase 1 Skills (5 Days), Phase 1.2; at least 4 States
- 4- MSDI and Database (5 Days), Phase 2.4; at least 6 States
- 5- MBES Processing (5 Days), Phase 2.3; at least 6 States
- 6- Basic ENC and ENC Production Course (10 Days), Phase 3.1; at least 6 States
- 7- ENC Production and QA (5 Days), Phase 3.2; at least 6 States

I have already sent No. 1, 4, 5, 6 and 7 programs above, by filing partially out the Annex B to CB plan (Project Submission Model) to Alberto for his consideration. I will send No. 2 and 3 Project Submission Model to him shortly.

Sincerely Yours,

Saeid PARIZI

Subject: RE: NIOHC and RSAHC Joint Training Courses under CB Program

Dear Saeid,

I spoke to Alberto to find out the process and I do not think there will be a problem in opening it out to the RSAHC. It seems there are several options - either we can keep within the current budget or we can identify funding from the CB fund that has not been spent and apply for that. As this is for an MSI course I think it would be viewed favourably.

As I did not put forward the proposal, Jeff Bryant would have done that last year, I do not know what the breakdown of the funding was but I hope to look into it this week.

To help me begin can I ask you how many applicants do you think there would be from your region? That will help me begin to calculate if the current funding would be sufficient.

Kind regards,

Lucy

Dear Lucy,

I am still waiting for your reply to my bellow email.

Since I have intention to participate at the CBSC17 Meeting in Genova, Italy from 28th till 30 May 2019, I need to know the answer to bellow email, in order to have my report ready.

Waiting for your kind reply accordingly.

Sincerely Yours,

Saeid PARIZI

Subject: NIOHC and RSAHC Joint Training Courses under CB Program

Dear Lucy,

Thank you for below email. By going through your email, As I understood correctly, RSAHC will have two joint training courses with NIOHC, namely MSI and MSDI.

If yes, please inform me about the maximum capacity for each Member State which I could introduce to you for participating in these training courses. Also let me know the time and hosting countries for the said courses .

I am waiting for your kind reply accordingly .

Sincerely Yours,

Saeid PARIZI

Subject: NIOHC CB Submissions

Good day,

Please see attached the NIOHC Capacity Building Submissions for 2020 for your consideration. I apologise for the lateness of these submissions.

Kind regards,

Lucy
