

International Hydrographic Bureau, Monaco

13 – 15 September 2005

Origin: Peru

NAVAREA XVI Assessment

Submitted by: **Perú**

1. ACTION REQUIRED:

None - submitted for information only.

2. BACKGROUND:

Peru, through Directorate of Hydrography and Navigation, is the coordinator for NAVAREA XVI. Our transmitting system is comprehensive and effective. We broadcast on Atlantic and Pacific Ocean through the AOR-W satellite.

3. COMMENTS:

- a. INTERNATIONAL NAVTEX SERVICE (518 kHz):
 - i. Since the last meeting of this commission no new NAVTEX stations have been established.
 - ii. Our task, as Co-ordinator country, is carrying out without any inconvenience. Our transmissions are constant
- b. SafetyNET SERVICES:
 - i.. There have been no changes since the report to the last meeting.

4. RECOMMENDATION(S):

- i. None.

5. ACTION REQUESTED:

- i. None
