To CSPCWG Members

Date 1 April 2005

Dear Colleagues,

**Subject: Date and venue for the 2<sup>nd</sup> CSPCWG meeting (follow-up to CL 01/2005)**

In my Circular Letter 01/2005 (dated 7 February) I asked you to express preferences for the venue for CSPCWG 2, choosing between Monaco and Australia. From the responses, it is very clear that a meeting in Australia would have few representatives, while a meeting in Monaco would be as well attended as our last meeting. We will therefore meet in Monaco.

The TSMAD will meet in Australia in November, so there is no longer any advantage in having our meeting back-to-back with TSMAD 12. In fact, in order to allow adequate preparation and travel time for those attending other meetings, I have decided CSPCWG 2 will be 19-21 October 2005, at IHB in Monaco. I would be grateful if you would note your diaries accordingly, and begin to plan for travelling to Monaco. I hope as many of you as possible will be able to come to the meeting.

Whenever you have a proposal for an issue to be included on the agenda, please let Andrew know, so that he can begin to draft an agenda. I will issue a more formal calling notice and call for papers later in the year.

Yours sincerely,

Peter G.B. Jones,  
Chairman
