To CSPCWG Members

Date 24 January 2011

Dear Colleagues,

Subject: Record of 7th CSPCWG meeting; date and venue for 8th CSPCWG meeting

The record of the successful 7th CPSCWG meeting, held in South Africa last November, has now been approved by the participants. A copy of the record is included as an attachment to the email used to distribute this letter. A copy will also be made available within the CSPCWG section of the IHO website.

Please read the record carefully, taking particular notice where action is required by WG members. A summary list of actions is included in Annex D to the record.

In order to assist planning and budgeting for the 8th CSPCWG meeting, it is necessary to set the date and venue as early as possible. The participants of the 7th meeting agreed that meetings should continue to be approximately annual, so the 8th meeting is planned for the week commencing 28 November 2011. We have accepted an invitation to meet in Finland and await confirmation of the actual venue from the Finnish Hydrographic Office. Please note this in your diaries and consider applying for any approvals as soon as appropriate. Please also advise me of any subjects which could usefully be included on our agenda as soon as you become aware of them.

Yours sincerely,

Andrew Heath-Coleman,
Secretary
