What type of legacy data is included under each CATZOC classification in your ENC's?

Please complete the form below for each CATZOC value. Examples from the United Kingdom Hydrographic Office have been as a guide.

If you do not populate CATZOC for legacy data in your ENC's, please indicate this in the Additional Comments section at the bottom of the form.

CATZOC allocated by HO	Data acquisition method		Comments
A 1	-	-	-
A 2	-	-	-
B	-	-	-
C	Vessel positioned by DGPS. Single beam echo sounder used to obtain depth profiles along systematic survey lines planned.	-	Only in Romanian seaports
D	Vessel positioned by 2 Lines of Position from survey-quality electronic navaid, horizontal sextant angle resection, directions and distance (such as theodolite or sextant and 10 foot pole).	-	In another areas of responsibility of Romanian waters
