DQWG Letter : 05/2017

Date 15 Aug 2017

Dear Colleagues

Subject: Changes to the DCEG concerning Data Quality encoding

USA-NOAA has delivered action points DQWG12/04 and DQWG12/05 from DQWG12 meeting (June 2017). Please find enclosed two deliverables:

“Paper_for_S-100WG_Swept_DeepWater.doc”

“ReWorkedModel2017.pptx”

I would kindly ask the following actions from DQWG members:

- Review both papers ;
- Provide feedback;
- Report to agree/not agree on delivery to S-100WG.

I would like to receive your input no later than **08 Sep 2017**. If no input is received, we assume you agree with the proposed papers and actions. The deliverables will then be forwarded to the S-100WG.

Thank you

Rogier Broekman
Chair DQWG
