CHRIS Letter No. 1/2004

TSMAD VICE-CHAIRMANSHIP

Ref: CHRIS Letter 4/2003, dated 27 November 2003.

Dear Colleagues,

CHRIS Letter 4/2003 reported that Mr. Don Vachon, Canadian Hydrographic Service, had had to step down from Vice-Chair of the Transfer Standard Maintenance and Applications Development Working Group (TSMAD), and asked for volunteers to fill the position.

I would like to thank all those CHRIS Members who responded. In summary, there was one nomination by the United Kingdom for Mr. Barrie Greenslade, while at the same time there was overwhelming support for Mr. Greenslade as TSMAD Vice-Chair.

Therefore, I am most pleased to confirm the appointment of Mr. Barrie Greenslade (UK) as the new Vice-Chairman of TSMAD. An updated list of TSMAD Members is given in Annex A.

The IHB Directing Committee joins me in congratulating Mr. Greenslade on his nomination and on the unanimous support that he received.

Yours sincerely

Ole Berg
Chairman of CHRIS
