

OPEN FORUM
BUILDING A MARITIME SPATIAL DATA INFRASTRUCTURE -
“ARE THE PRINCIPLES AT ODDS WITH STRATEGIES FOR DELIVERY?”
Tuesday 3rd March 2015

0830 *Registration & Coffee*

SESSION 1 MSDI and Hydrography

0900 e-Navigation & MSDI: The role of IHO, IMO and Developers: Dr Edward Hosken (UKHO)

0925 IHO MSDIWG: Vision and Deliverables to the IHO: Jens Peter Hartmann (MSDIWG Chair)

SESSION 2 Geospatial Data Developments in UK

0950 UK Public Data Policy: Alex Coley (Defra, UK)

1010 Open Data - The Economic Stimulus: Les Rackham (Consulting Where, UK)

1030 From Open towards Linking Marine Data? Dr David Morris (Cefas, UK)

1050 Q&A

1110-1130 *Tea & Coffee*

SESSION 3 Geospatial Information Developments in Europe and Beyond

1130 INSPIRE- Developing the “Marine Pilot” project: Hugo de Groof (Policy Lead, EC-JRC, Italy)

1150 Obtaining Value from Open Data Standards: Peter Parslow (Ordnance Survey, UK)

1210 Vertical Datum to Support Future Navigation and Offshore Commerce: Jon Iliffe (University College London)

1230 GI Developments beyond Europe: Rafael Ponce (Esri Inc. USA)

1250 Q&A

1300-1400 *Lunch*

SESSION 4 SDI Case Studies

1400 MEDIN: The Hub for UK Marine Data: Dr Clare Postlewaite (Programme Manager, UK)

1420 MSDI Developments in Germany: Johannes Melles (BSH, Germany)

1440 Delivering a Marine Information Infrastructure for Ports: Dr Mike Osborne (OceanWise, UK)

1500 GeoNorge: The National Hub for Sharing Data in Norway: Gehard Heggebo (Norwegian Hydrographic Service)

1520-1535 *Tea & Coffee*

1535 MSDI in the Baltic; Jens Peter Hartmann (DGA, Denmark)

1555 SDI – The Future Defence Capability: Brian Parish (Joint GEOINT- UK)

1615 SDI in Canada: Dr Kian Fadaie (Director of Hydrography - Canadian Hydrographic Service)

1635 Q&A

SESSION 5 Open Discussion

1650 “What are the Benefits of MSDI and are we willing, able and ready to contribute?”

Facilitator: Joep Crompvoets (University of Leuven, Netherlands)

1730 Summary of the Day and Close
