Dear Colleagues,

### **Subject: Revision of chapters 1-3 of the DCEG draft**

References: NIPWG Action Item 1/6

Reflecting the outcome of the context feature discussion we had during our last Monaco meeting, and considering pending harmonisation discussion with the S100WG/S-101SubWG, I reviewed the DCEG.

I'm happy to announce that the review is completed and that the file is ready for group review. The file could be downloaded from the NIPWG wiki at

or directly at

You may find the file attached to the email for your convenience.

Please note that **only chapters 1-3** should be **reviewed**. I added a couple of question marks and I would be happy to receive your ideas / suggestions on them.

I would like to invite you to provide feedback **by the 18 December 2015** at the latest.

Yours sincerely,

Jens Schröder-Fürstenberg, Chairman
