**NIPWG Letter: 03/2015**

**To NIPWG Members**

Date 17 November 2015

Dear Colleagues,

**Subject: Provision of fuzzy areas examples**

References: NIPWG letter 01/2015

Thank you to the NIPWG members who responded to Letter 01/2015.

We received various use cases for fuzzy areas. In addition, FI provided the result of an investigation in that regard and raised questions which should be considered during the development of the submission to the S100WG.

The next step is that I will be forwarding the use cases to Raphael who will draft the submission to the next S100WG meeting.

There is no need to respond to this Letter.

Yours sincerely,

Jens Schröder-Fürstenberg, Chairman
