To GEBCO Guiding Committee, Sub-Committee on Undersea Feature Names,
Technical Sub-Committee on Ocean Mapping, interim Sub-Committee on Regional
Undersea Mapping and Nippon Foundation/GEBCO Project Management Committee
and others

20 July 2010

Dear Colleague,

Meetings in Lima and Callao, Peru (11-18 September 2010)

Second Circular

As announced in the First Circular of 30 March 2010 the GEBCO Guiding Committee, Sub-Committee on Undersea Feature Names (SCUFN), Technical Sub-Committee on Ocean Mapping (TSCOM), Interim Sub-Committee on Regional Undersea Mapping (iSCRUM) and Nippon Foundation/GEBCO Training Project Management Committee will meet in Lima, Peru from 11 – 18 September 2010.

The address of our hosts is Directorate of Hydrography and Navigation (DHN), Gamarra 500, Chucuito, Callao, Peru. Our host is Rear Admiral Javier GAVIOLA Tejada and the Local Organiser is Second Lieutenant Luz CANO Zapata, Chief of the Institutional Affairs Office of the DHN (Email: lcano@dhn.mil.pe; Tel. (+51) 1 - 6136767; Fax (+51) 1 - 4658312).

Change of meeting place

This circular is to inform you of a change in location for the meetings (except for the Science Day) which has been arranged to reduce the travel time from the hotels to the meeting place. Please note that all the meetings, except for the Science Day on Wednesday 15 September, will now take place in the Navy Club in the San Borja district of Lima. This is within 4 km of both the Melia Lima and San Isidro hotels. The address of the Navy Club is,

Centro Naval del Peru (Navy Club), Av. San Luis Cuadra 24, San Borja, Lima

See (<http://www.centronaval.org.pe>); Phone: 51-1-6125300.

Please note that the Science Day meeting on Wednesday 15 September is still planned to take place at,

Directorate of Hydrography and Navigation (DHN), Gamarra 500, Chucuito, Callao, Lima.

Travelling to Peru

It would greatly help with the local arrangements if you inform Lieutenant Cano by email, copied to me, of your participation in the meeting and where you are staying. This information is required to provide adequate space for the meetings. I would also like to remind you that, if you haven't done so already, you should tell Lieutenant Luz Cano when your flight is scheduled to arrive in Lima so that, if you wish, she can arrange for you to be met at the airport and transferred to your hotel.

Meeting programme

A detailed meeting programme for the non-SCUFN meetings is still being discussed and will be circulated later.

Please ask the Local Organiser, Second Lieutenant Luz CANO Zapata (lcano@dhn.mil.pe), if you need further information. I look forward to seeing you in Lima.

Best regards,

R.B. Whitmarsh

GEBCO Permanent Secretary
