## INTERNATIONAL HYDROGRAPHIC ORGANIZATION

## INTERGOVERNMENTAL OCEANOGRAPHIC COMMISSION (of UNESCO)

## UNDERSEA FEATURE NAME PROPOSAL (Sea NOTE overleaf)

Note: The boxes will expand as you fill the form.

| Name Proposed: | Toki Fracture Zone | Ocean or Sea: | Philippine Sea, Northwestern Pacific |
|----------------|--------------------|---------------|--------------------------------------|
|                |                    |               |                                      |

| Geometry that I | pest defines the fea | ature (Yes/No) : |                 |                 |                       |                               |
|-----------------|----------------------|------------------|-----------------|-----------------|-----------------------|-------------------------------|
| Point           | Line                 | Polygon          | Multiple points | Multiple lines* | Multiple<br>polygons* | Combination of<br>geometries* |
|                 | Yes                  |                  |                 |                 |                       |                               |

\* Geometry should be clearly distinguished when providing the coordinates below.

|              | Lat. (e.g. 63°32.6'N) | Long. (e.g. 046°21.3'W) |
|--------------|-----------------------|-------------------------|
|              | 20°29'N               | 140°05'E                |
|              | 20°10'N               | 139°49'E                |
| Coordinates: | 19°45'N               | 139°35'E                |
|              | 18°52'N               | 139°14'E                |
|              | 18°07'N               | 138°46'E                |

| Faatura                | Maximum Depth : | 6100 m | Steepness :      |  |
|------------------------|-----------------|--------|------------------|--|
| reature<br>Description | Minimum Depth : |        | Shape :          |  |
| Description.           | Total Relief :  |        | Dimension/Size : |  |

| Associated Features: | Parece Vela Rift, Raicho Fracture Zone, Tancho Fracture Zone, Parece Vela Rift |  |
|----------------------|--|--|
|                      | Fracture Zone Province   |  |

|          | This is a response to the actions SCUFN 15/46 and 15/47. |
|----------|--|
| Kemarks: |  |

NOTE : This form should be forwarded, when completed :

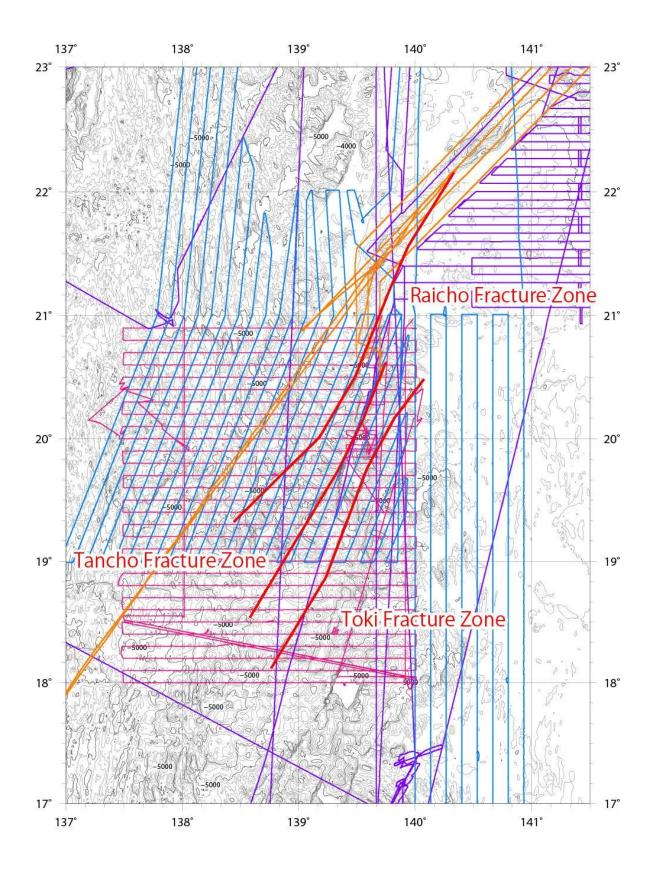

- a) If the undersea feature is located <u>inside the external limit</u> of the territorial sea :to your "National Authority for Approval of Undersea Feature Names" (see page 2-9) or, if this does not exist or is not known, either to the IHB or to the IOC (see addresses below);
- b) If at least 50 % of the undersea feature is located <u>outside the external limits</u> of the territorial sea :-

to the IHB or to the IOC, at the following addresses :

| International Hydrographic Bureau (IHB) | Intergovernmental Oceanographic Commission (IOC) |
