## \$24 USD for one way

You should purchase your ticket for travel from Boston Logan airport to Portsmouth prior to your trip. C&J does NOT have a ticket counter or agent at Logan Airport. If boarding at Logan Airport "without" a ticket, the driver will ask to hold a photo identification. The driver will present your identification to the agent on duty at your destination location, who will return your ID upon transaction completion. We do recommend purchasing tickets online to those that have the ability prior to traveling to avoid inconveniencing yourself. If you are unable to print your online tickets before arriving into Logan Airport, present the driver with your photo identification. The driver will provide your identification to the agent on duty at your destination location who will be able to lookup your purchase, print, and validate your travel.

**Bus schedule: http://www.ridecj.com/tickets/schedules/boston-northbound** C&J Bus will take you to the Portsmouth (Transportation Center) Portsmouth then you will need to hire a taxi<u>http://www.portsmouth-taxi.com</u>(603) 431-6811 to the Hilton Garden Inn. ## IMPORTANT

Buses begin picking up at Terminal A at the scheduled departure time, then continue onto terminals B1, B2, C and E before exiting the airport. Depending on the number of passengers boarding at Logan and the traffic within the airport, it takes about 10-15 minutes before our coach departs the airport. Buses stop outside the lower level (baggage claim) at terminals A, B, C, and E. Buses depart from Terminal A on the scheduled departure time and proceed to the remaining terminals (B1, B2, C and E) before exiting the Airport. The driver will exit the bus and call the destination for that coach. Coaches that read**"Dover, NH,"stop in Newburyport, MA and Portsmouth, NH**before proceeding to Dover, NH. It is important for passengers to be in the designated pick up area prior to the departure time on the schedule. **Please note:** All bus companies share the same pick up points at Logan. C&J buses begin picking up at Terminal A and end at Terminal E. **Scheduled pick-up times are at Terminal A**. Please allow a few minutes for the buses to pick-up at the remainder of the terminals and note that the buses depart when full (meaning that a ticket does not guarantee a seat).

**October 29 -** The Arctic Science Forum will be held at The University of New Hampshire. Transportation will be provided to and from the meeting that day. More details will follow with pick up times from the hotel.
