Dear Colleagues,

It is our pleasure to host ARHC-4 and provide the rescheduled dates here. Thank you for understanding our unique circumstance.

Having heard from all ARHC member states, I confirm that the ARHC-4 meeting has been rescheduled for the week of January 27, at the same location (Hilton Inn, Portsmouth, New Hampshire). Accordingly, I suggest the following schedule:

January 27, Monday	Delegates arrive Portsmouth, New Hampshire
January 28, Tuesday	Arctic Science Forum at the University of New Hampshire
January 29, Wednesday	ARHC-4 (Day One) at the Hilton Hotel
January 30, Thursday	ARHC-4 (Day Two and Conclude) at the Hilton Hotel

We will work with Norway and the IHB to update the revised draft agenda for these meetings, for your comment and for posting to the IHO website.

If you have any concerns about the new proposed dates or if you'd like to provide any suggestions, please send them to Noralf.Slotsvik@kartverket.no, jonathan.justi@noaa.gov, and Loretta Quinn at LQuinn@joss.ucar.edu. (Ms. Quinn is providing invaluable assistance with the logistics and meeting support.) We expect to send out the updated hotel registration information shortly for your convenience in making early reservations.

Sincerely,

Rear Admiral Gerd F. Glang, NOAA
U.S. National Hydrographer
