

## BSHC17 LETTER 2

Date  
2012-05-24**Baltic Sea Hydrographic Commission 17<sup>th</sup> meeting, Letter 2**

Dear Colleagues,

I am writing this BSHC 17 Letter 2 with the purpose to remind you before summer holidays of the upcoming conference in Helsinki September 18-20 and to try to clarify some issues regarding the agenda and supporting documents.

The statutes of BSHC states that proposals to be included in the agenda should be sent to the chair 4 months ahead of the meeting. However, with the understanding of hectic times for all of us I am quite happy to receive proposals for changes and/or amendments to the agenda and other proposals and supporting documents by August 15<sup>th</sup>.

This means that August 15 is the deadline for all input documents to the conference including:

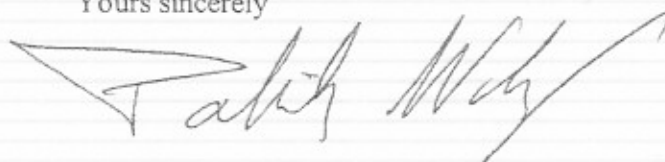

- National report
- Agenda proposals
- Other supporting documents

Send your documents by email to ([patrik.wiberg@sjofartsverket.se](mailto:patrik.wiberg@sjofartsverket.se)).

For your convenience I include BSHC Letter 1, the logistics document from our host and the BSHC standing agenda as attachments to this letter.

I look forward to see you all at the meeting and I welcome you to beautiful Helsinki in September.

Yours sincerely

Dear Colleagues,

It is my pleasure as your chairman of the Baltic Sea Hydrographic Commission to invite you to the 17<sup>th</sup> BSHC Conference in Helsinki, Finland, from 18<sup>th</sup> to 20<sup>th</sup> of September 2012. For your information a meeting of Helcom MWG will be arranged also in Helsinki on September 18<sup>th</sup>.

Our Finnish host has prepared a detailed logistics document for the meetings and you find that as an attachment to Letter 1. Please find also the details about registration for the meeting in the logistics document.

I do ask you all to submit national reports, any proposals and other supporting documents to the conference by August 15<sup>th</sup> 2012 at the latest. Send your documents by email to ([patrik.wiberg@sjofartsverket.se](mailto:patrik.wiberg@sjofartsverket.se)).

As you may remember the Swedish HO was tasked to propose a revised logotype for BSHC. You do find a proposal in the letter head above and comments are welcome.
