HCA11-10A

Montevideo, 27 september 2011.-

NOTA N° 84/11

Mr. Chairman of The IHO Hydrographic Commission on Antarcticación (HCA)
Captain Hugo GORZIGLIA

Present.-

Of my highest consideration: -

I have the pleasure to write to you for the purposes to inform our proposal to make the 12th. Meeting of the Hydrographic Committee Antarctica (HCA) in Uruguay, based on the provisions of Article 4 of the Statute of the HCA.-

To this effect the Service of Oceanography, Hydrography and Meteorology of the Navy (SOHMA), as representative of Uruguay to the IHO and consequently to the HCA will be responsible for organizing the meeting in our country, according to the provisions of Statute, if the Commission accepts this proposal.

This proposal has the support of the Commander in Chief of the Uruguayan Navy, so we have the support of our Navy to carry out this important event.-

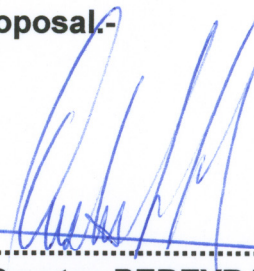

We also have the support of the Uruguayan Antarctic Institute (IAU), which will strengthen our capacity to address the conduction of the meeting.-

Summarizing, I propose to perform the 12th. HCA meeting in Uruguay, in which SOHMA will take care of the event organization.-

We do appreciate the consideration of this proposal.-

I greet you with my highest consideration.-

Capitán de Navío (CG)

Orestes PEREYRA

Jefe del Servicio de Oceanografía,
Hidrografía y Meteorología de la Armada

CC to: Vice-Chairman: Commodore Rod NAIRN (Australia)
Secretariat: Ing. en chef Michel HUET (IHB, Monaco)
