Dear Mr. Amafo,

The Department of Maritime Administration of Saint Vincent and the Grenadines presents its complements to the Meso-American and Caribbean Hydrographic Commission (MACHC) and has the honour to inform the latter of the desire of Saint Vincent and the Grenadines to be considered for associate membership status of the MACHC.

The Department wishes on behalf of the Government of Saint Vincent and the Grenadines, to request if consideration of Saint Vincent and the Grenadines for associate membership of the MACHC could be placed on the agenda of the 15th Meeting of the MACHC, scheduled for Manzanillo, Colima, Mexico, from 10th to 13th December 2014, at which Saint Vincent and the Grenadines will be represented.

The Department of Maritime Administration avails itself of the opportunity to renew to the Meso-American and Caribbean Hydrographic Commission (MACHC) the assurances of its highest consideration.

Yours sincerely,

David V. Robin
