

NIOHC12-02c

12th NORTH INDIAN OCEAN HYDROGRAPHIC COMMISSION MEETING

**Colombo, Sri Lanka
20 – 23 March 2012**

Draft Annotated Agenda INT Chart Working Group Meeting

1700-1830 Tuesday 20 March 2012

Chaired by R. Adm S.K JHA, India, INT Chart Coordinator region J

This is a technical workshop and requires participants with a technical background to attend to ensure maximum results.

The purpose of the INT Chart Workshop is to produce an updated version of S-11 Part B Region J to the IHB using S-11 Part A for guidance where required. The S-11 version currently available on the IHO website is edition 2.003 September 2009.

It is proposed that all INT chart producers within region “J”, nations desiring to produce and the adjoining coordinators of regions “F” (France), “L” (Australia) and “H” (South Africa) attend.

Workshop participants:

- Australia
- Bangladesh
- France
- India
- Pakistan
- South Africa
- UK

Would all participants please ensure they have following documents at hand:

1. A corrected version of S-11 Part B Region “J” for their nations INT charts (manually corrected acceptable) to include changes to publication dates, titles etc
2. Updated projection figures for unpublished INT charts
3. Amendments to the scheme listed in S-11 Part B Region “J” they would like considered by the group – in both textural and graphical form¹.

They will also be invited to discuss:

4. Discussion on the adoption of HSSC proposal (Action HSSC1/24) for NIOHC Paper INT Charting coordinator to take on the NIOHC ENC coordinator role and rename as the North Indian Ocean International Charting Coordination Working Group (NIOICCWG)

Proposed outcomes:

1. Report to NIOHC Plenary
2. S-11 Updated and posted on IHO website

¹ Please send to both the INT chart coordinator (India) and chair (UK) prior to the meeting for circulation to workshop members.
