February 2016

Dear Colleagues,

1. I hope this letter of mine will find you in good health. I am on the eve of relinquishing my duties of Chairman National Hydrographic Committee (NHC), Bangladesh and North Indian Ocean Hydrographic Commission (NIOHC) Chair. It was indeed a great pleasure for me to work with all of you for last three years. During my tenure as Chairman National Hydrographic Committee Bangladesh and NIOHC Chair, I came across lot of talented professional and devoted people like you. I consider this episode of my service life as the most delighted and charming period for me. I shall cherish it long in coming days of my life.

2. On my relief, R Adm Mohammad Makbul Hossain, (TAS), OSP, BCGM, ndu, psc, BN will be taking over the duties of Chairman NHC and NIOHC Chair soon. I am sure he will enjoy a congenial professional atmosphere in the specialized field of hydrography as I enjoyed with all of you.

3. I am grateful to you for your solidarity over the period. I avail this opportunity of expressing my warmest personal regards and best wishes to you and your family.

To:

IHO, All NIOHC Member States and Associate Member States
