SWPHC CIRCULAR LETTER

Objet : 10th Conference of the International Hydrographic Organisation South West Pacific Hydrographic Commission.

Reference : Report of the 9th SWPHC Conference dated 7 May 2009.

Enclosure : /

Dear Hydrographer, *dear colleagues*

It is with great pleasure that I inform you that the 10th Conference of the IHO South West Pacific Hydrographic Commission (SWPHC) will take place in Honiara, Solomon, on 9 and 10 November 2010.

On behalf of the SWPHC members, I would like first to ask the Permanent Secretary of the Ministry of Infrastructure and Development of Solomon and the staff of the Marine Division to accept our most grateful thanks for their kind invitation to arrange our 10th Conference in their country.

After the technical assessment visit undertaken by two IHB representatives last October, we believe that this event, hosted by Solomon for the first time, is a demonstration that hydrography is now clearly identified in the region as a key component of safety at sea

Destinataire(s) : SWPHC members - [+ all IHO rep. in countries of INT charting Area L] - IHB - Pacific Islands Maritime Association (PacMA) - Pacific Islands Applied Geoscience Commission (SOPAC) - Pacific Islands Maritime Association - Secretariat of the Pacific Community (SPC) - South Pacific Tourism Organization (SPTO) - IMO regional representative - European Commission (Voir liste jointe).

Rep.: R:\asecretariat\COURRIER DEPART\2010\DSPRE\REX\001 à 100\005_SWPHC CL2-2010.doc

and of all marine activities in relation with the protection of environment and a sustainable development.

A draft agenda and registration forms will be provided in due course.

Yours sincerely,

Vice-admiral (hydro.) Gilles Bessero,
Chief Executive of SHOM
Chairman, South West Pacific Hydrographic Commission
Signé Gilles Bessero
