Dear Colleagues,

I am pleased to provide further details for the next SWPHC meeting in Vanuatu.

Following discussions at the IHO Inter-Regional Coordination Committee (IRCC) the meeting will take place between 12th November and 14th November, inclusive. The proposed meeting schedule is thus:

Thursday 14th November	SWPHC meeting	SWPHC meeting

The chair proposes a three day meeting to enable the proceedings have sufficient time for debate yet in the most cost effective method. The meeting running Tuesday to Thursday will allow delegates to travel within the normal working week.

I will shortly be writing to stakeholders and industry highlighting the topics to be discussed on the Wednesday afternoon; this will be around the Blue Economy and the LINZ developed Risk Assessment Tool.

I very much hope that you will be able to attend and look forward to meeting you.
